

"On the trail today, we were reminded that in all we could see and name, there was evidence of the wonder of Your creation and Your guiding light. Later, as we prepared our meal amid the flicker of flame in the growing darkness of the coming night, we were also reminded of the light of Your truth in the midst of all of the uncertainties in our own lives. We thank You for helping us to see what Your love gives and ask that by Your blessing, we may use the gift of food before us, to renew our strength to live our Scout Oath and Law."

"Let us be thankful for the food and drinks we are about to receive before us.
Let us be thankful for the shelter that protects us while we sleep at night.
Let us be thankful for the water that rejuvenates our mind, body & soul.
Let us be thankful for the earth we walk on and the air we breathe.
Let us be thankful for the fire that keeps us warm and gives us light.
Let us be thankful for natural surroundings that give the earth beauty and life.
Let us be thankful for the family and friends that are helpful when we need them the most.
Let us be thankful for the staff and leaders that lead us on our way." by: Peter, Life; Patrick, 1st Class; Keith, Scout; Troop 10, Reseda, California

BOY SCOUT GRACES

"We thank You for the morning light,
For rest and shelter of the night;
For health and food, for love and friends;
For everything Your goodness sends."

"We find ourselves surrounded by startling beauty, and awe inspiring vistas as we make camp, for all of these things, and the blessing of nourishment we are thankful."

"Even when it rains, and the wind blows cold, We remember Your many blessings, and take this time to give thanks, for the warmth of fellowship, the nourishment of food, and the strength You give."

"As we gather round this our humble table, in the midst of all Your creation, prepare our hearts, minds and bodies, that we may see Your glory, in the beauty of land around us, and not be spiritually blind. With thanks for Your many gifts, we ask You to Bless this food to our use, that we may be prepared, to face the challenges of the trail ahead."

"With our heads bowed in reverence, We give thanks for the food before us, And ask for Your help and blessing in facing the challenges of the trail ahead."
